Subject: Lostine River Corridor Project

Kris,

I was given your name as the contact for the Lostine River Safety Corridor Project. I would just like to express my extreme support for this project. I was in Alaska fishing and was unable to attend the July meeting, however, I feel this project is critical for the continued use, as well as the safety, of the Lostine corridor visitors and for those of us who are property owners/stakeholders. Again, I would just like to reiterate how important this project is for the Lostine River! We are very excited to see the increased health of the forest as well as the safety of those of us who enjoy this area!

Thank you for your support moving forward!
